Grade 5 Homework: Term 2 - Week 2

Maths - Times Tables
Below are 5 numbers. Think of as many times tables as possible which equal each of them.
  eg. 3x5=15, 1x15=15 etc

15  24  60  84  96

Maths - Chance & Data
Last week in our maths rotations, we looked at picture graphs. A picture graph is a statistical graph used for organising and displaying data. Here is an example

Your task is to create a picture graph on your iPad displaying the number of electrical appliances found in each room of your house.

There are a few things that you will need to consider:
* How will you collect your data?
* What is an appropriate app to use on your iPad to display your graph?
* What picture/image will you use on your graph?
* What scale/key will you use?

English - Writing
Part One: Narrative Writing
Using Popplet on your iPad, plan an interesting story with the title "Hiding". Your plan should include all of the structural elements of a narrative - Orientation, Complication & Resolution. You could include images or descriptive text as you plan your story. Be CREATIVE! Your popplet may have as many branches/popples as you like.

Part Two: Persuasive Writing
Persuasive writing and other persuasive forms are all around us! Examples could be found in advertisements, magazines, letters, newspapers...the list goes on. Find an example of something where the author's purpose was to persuade from one of these sources and stick it in your homework book. Write a short description about why is it persuasive and what persuasive techniques have been used.

Integrated - Heritage: Fun Quiz
What was the original name for the state of Tasmania? What year was it changed to Tasmania? You may need to do a little research! Remember to reference your answer - it's a website or a book please write what it is.

Reminders & iCal dates
★ Homework and Reading Diaries due each Friday
★ Make sure your sports kit has been returned to your coach
★ Camp - make sure your payments and notices are up to date
★ Thursday 8th May - Mother's Day Stall
★ Friday 9th May - Winter Interschool Sport begins
